CARE CENTER**

*a tradition of caring*

*"I loved the encouragement to motivate me that all the staff provided. I can't say enough about the amazing staff here! Nurses, Aides, housekeepers, dietary, therapy...right down the list, everyone was truly amazing. I especially want to give a special thanks to Lisa Skaggs; she kept me going when I thought I couldn't. I never thought I was going to get back to my old self again and they got me there. I have been at other facilities before and they weren't even close to the care and compassion I got here; it was day and night difference."*
